WEST DUBLIN ACCESS RADIO

West Dublin Access Radio 96fm - local community radio station. Our motto is simple: our community is our station.

And that community is made up of a number of communities in west Dublin; Ballyfermot, Bluebell, Chapelizod, Clondalkin, Inchicore and Palmerstown. We pride ourselves on how much all these communities are part of West Dublin Access Radio. This website is another way that people can use the station and become a part of what we do. It also gives us a way to reach out to the members of our communities that are scattered across the globe who can now use this website to catch up on what's happening back home on their road, in their local, or to check on how their local club is doing; essentially, a homepage from home. And families can make contact across the miles using our message board.

I am the out reach officer with WDAR and as such I need to communicate with many different groups and as i am new to this type of interaction I need educating in this area.
