Dublin South FM is the BAI licensed Community Radio Station for a catchment area covering Parts of Dundrum, Churchtown, Rathfarnham, Ballinteer, Kilmacud, Goatstown, Stillorgan, Windy Arbour, Milltown, Mount Merrion and Sandyford. It is a project run by volunteers from the local community with the support of permanent fulltime staff. On this website you will

find everything you need to know about Dublin South FM from our daily broadcast schedule to radio skills training and how you can get involved. You can pick us up on 93.9 FM twelve hours a day or via internet streaming. Hopefully at some stage during the day you'll find something "on air" of interest to you. If you feel there's a gap in our community coverage let us know and perhaps in a few weeks you could be producing your own show. Opportunities to work in the radio industry are quite rare. With DSFM you'll get genuine "real world" experience and, if you wish, even formal qualifications. Dublin South FM is committed to giving opportunities to those in our community who feel they have something to offer. DSFM is here to create locally focused radio programmes.

I'm a Journalist for Dublin South FM. I'm currently doing a nine month Internship with the station. My interest arte current Affairs and cinema. I have a degree in War Studies and a Diploma in Journalism.
