

## LEVATINO Angela

**Comune di Lissone**  
**Settore Istruzione, Politiche Giovanili e per l'Infanzia**  
Manager  
Italy

The sector that I direct, Education, Youth and Children's Fund, works for the programming, coordination and implementation of the key services related to school activities and educational. In addition to the direct management tasks, such as that of the nursery municipal or complementary services, the Department are responsible for the activities for school guidance and professional integration of foreign students, in connection with the economic and social system of the territory. Was also a significant commitment to assist families and social organizations and associations, in their educational efforts especially in relation to the new demands of training, the new positioning of the family business, the development of new media. The City of Lissone, always attentive to new generations, is aware of how they are a resource for themselves and for their own territory and therefore is strongly interested in promoting new opportunities to offer its young people. Projects and initiatives provide an opportunity to enhance our resources and to contribute to the development of a youth empowerment that allows the integration of young people in local life and the acquisition of appropriate personal, social and professional.

I have a degree in economics and business and labor, as Manager of the Sector Education, Youth and Children's and are also Manager of the Commerce, Economic Development and Marketing Planning of the City of Lissone, province of Monza and Brianza, a town north of Milan. Work closely with the Mayor, the Council and the City Council.
