I'm a practicing journalist for over 15 years with professional practice related to intensive media work in different spheres. My travelling experience as a professional journalist has increased my knowledge of European legislation, institutions and their initiatives - I have explored in detail various European matters and I'm constantly focused on keeping up-to-date with the latest European issues and campaign on our continent as Council of Europe's diversity and anti-discrimination campaigns for the past years. My rich experience in the journalism have shaped a rather flexible and varied professional profile. I have background with multiple areas of work such as journalistic writing in print media and Internet-based news matters. Among some of my strong points, I can list serious experience as Internet Editor at online based media, as well as excellent interpersonal skills to establish and maintain effective working relations in a multicultural environment. Currently I'm working as a Managing Editor in one popular in Bulgarian capital city of Sofia community media.
